GOLDEN ANNIVERSARY ACQUISITION:

Franco-Netherlands, ca. 1400

64.360 KNEELING PROPHET
Gilt-bronze sculpture, H. 5-1/2"

Purchase, Leonard C. Hanna Jr. Bequest

From Herbert M. Bier,
2 Strathearn Place, Hyde Park Sq.
London W 2

The Franco-Netherlandish, gilt-bronze sculpture of a KNEELING PROPHET was executed about 1400. Another figure, now in the Louvre, belonged with it; both, with possibly other similar pieces, once supported a larger object, perhaps a reliquary or a small font. The Cleveland sculpture is heretofore unknown and unpublished.
